### EXPERIENCE

#### Storyboard Artist 2022 - 2023 TierZoo (YouTube and Nebula)

Created storyboards from a script for creature fight sequences that were turned into 3D animation. Made polished storyboards, colored illustrations and animation assets for a history based spinoff channel, Tech Tree.

#### Book Illustrator 2017 - 2022 The Publishing Empire

Designed characters and made comic book style illustrations for books aimed at teaching children computer programming.

#### 2D Animation Lead 2018 - 2019 "Monsters in the Dark"

Animated 2D sequences for an award winning 2D/3D short film, organizing and directing a team of animators, as well as coordinating with other leads to achieve a 2D/3D hybrid look.
